“First Annual Campus Wars Event to Kickoff Homecoming Weekend”

Binghamton, NY, 10/06/2006 – On October 9th, the first annual Campus Wars, will start with a kickoff banner contest in the New Union Food Court and a night time buffet style breakfast for participating students. The Campus Wars event is a competition between residential communities where they compete in various competitions such as a poker run, lip sync, bowling, a casino and the parade during the week of October 9th -October 14th. Each of the six residential communities will be participants in the event and off-campus students are also encouraged to participate. The goal of the event is to get students excited and ready for the Homecoming weekend and to create traditions that are campus wide.

The most anticipated event of the competition is the “First Annual Binghamton Bowl”, occurring on Sunday, October 15th in the Newing Field and College in the Woods Commons at 1pm. Binghamton Bowl is the final competition to be played for Campus Wars, where students from each residential community will be competing in a football game and a College Bowl trivia game. Stephanie Kaponya the Student Association Program Director and Chris Motley, a Senior PPL major are responsible for the creation and production of the event. Stephanie Kaponya states “A friendly competition is a healthy way to bring people together, while establishing tradition around a university wide event”. In addition, Chris Motley states “I always hear people say that their community is the best. Well Campus Wars is a chance to prove it. It is a fun way to get everyone excited about Homecoming and to meet people from all over campus”.
